December 5, 2011

Each year we have a drawing for a \$3000.00 Main Street Rewards Bonus. Members are eligible if you successfully participate in both the Sanofi Pasteur and Merck Agreements. The winner of this year's award is:

**Dr. Catherine A. Goodfellow  
of Genesis Pediatrics  
In Rochester, NY**

**Dr. Goodfellow has requested that her award be donated to The Dream Factory of Rochester. Main Street Vaccines will make a matching donation of \$1000.00**

## **MERCK VACCINES**

On October 19, 2011 Merck announced a 4% increase in the catalog price of MMR-II® Varivax® ProQuad® and RotaTeq®. New contract prices are posted under Contracts/Merck at [www.mainstreetvacs.com](http://www.mainstreetvacs.com). **Our Merck Contract gives us sixty days after any increase to purchase vaccines at pre-increase prices, (until December 19, 2011 in this case).**

Effective November 21, 2011 Merck also increased the catalog price for PNEUMOVAX®23 (Pneumococcal Vaccine Polyvalent). The new price is listed on [www.mainstreetvacs.com](http://www.mainstreetvacs.com) under Contracts/Merck. Any other notification notwithstanding, Main Street Members have 60 days (through January 20, 2012) to purchase PNEUMOVAX®23 at the pre-increase price.

## **SANOFI PASTEUR VACCINES**

Catalog prices for most Sanofi Pasteur Vaccines will increase January 1, 2012. New contract prices are posted at [www.mainstreetvacs.com](http://www.mainstreetvacs.com) under Contracts/Sanofi.

By placing an order on [www.VaccineShoppe.com](http://www.VaccineShoppe.com) through December 16, 2011, and scheduling shipment before December 21, 2011 you can obtain an unlimited supply of the vaccines listed below at a **3% discount off current prices**. The discount is above and beyond Main Street Contract savings, and any other rebates, bonuses, or promotional offers.

- ActHIB® (Haemophilus b Conjugate [Tetanus Toxoid Conjugate] Vaccine)
- Adacel® (Tetanus Toxoid, Reduced Diphtheria Toxoid and Acellular Pertussis Vaccine Adsorbed)
- DECAVAC® (Tetanus and Diphtheria Toxoids Adsorbed)
- IPOL® (Poliovirus Vaccine Inactivated)

- Menactra® (Meningococcal [Groups A,C,Y and W-135] Polysaccharide Diphtheria Toxoid Conjugate Vaccine)
- Pentacel® (Diphtheria and Tetanus Toxoids and Acellular Pertussis Adsorbed, Inactivated Poliovirus and Haemophilus b Conjugate [Tetanus Toxoid Conjugate] Vaccine)
- TUBERSOL® (Tuberculin Purified Protein Derivative [Mantoux])

## REBATE AND BONUS

Rebate and Main Street Bonus checks for the 2010-2011 contract year are only valid for 90 days from issuance. They will not be valid after December 23, 2011. Please deposit them before that date. There is a \$25.00 service charge if we have to reissue a check.

**The 2010-2011 Adacel®/Menactra® Main Street Rewards Bonus has been extended to include the entire 2012-2013 contract year.**

**That means you can receive a 1% bonus for all Adacel® doses ordered during the current contract year. However, you need to meet or exceed our contract benchmark requirements for both Adacel® (90%) and Menactra® (80%) to qualify.**

This contract requirement will be strictly enforced. Please do not succumb to a sales pitch and purchase Menveo® or Boostrix®. It will disqualify you from receiving the bonus, and may put both your annual rebate and your membership at risk.
